

**STEPHEN J.R. SMITH FACULTY OF ENGINEERING AND APPLIED SCIENCE AT QUEEN'S
UNIVERSITY**
Term Adjunct Position Available
Academic Year 2024/25

Posting Date: February 29, 2024

Closing Date: March 15, 2024

Smith Engineering invites applications from suitably qualified candidates interested in teaching the following first year undergraduate course in the 2024/25 session. This course is taught as an online Summer course for students in Smith Engineering and letter of permission students from other universities.

APSC 221 Economics and Business Practice
Summer 2024

Qualifications:

Minimum of Master's in Engineering or related field, expertise in the field relevant to the course, and appropriate teaching experience. Previous teaching experience at the University level considered an asset. Previous educational background and/or experience must be suited to teaching the course described below. Candidates must have excellent communication and presentation skills, as well as being capable of working as a member of a teaching team.

Course Description:

APSC 221 Economic and Business Practice Units: 3.00

This course will provide the student in the Engineering program with the ability to appropriately incorporate selected economic and business practices into the practice of engineering. The practices covered include business planning for the enterprise, enterprise economic analysis, project management process, project economic analysis, risk analysis and management, quality management and change management. Assignments and examples are based on situations from engineering-based industries.

Lec: 3, Lab: 0, Tut: 0

Requirements: Prerequisites: Corequisites: Exclusions: APSC 321, COMM 244

Offering Term: FWS

CEAB Units:

Mathematics 0

Natural Sciences 0

Complementary Studies 36

Engineering Science 0

Engineering Design 0

Offering Faculty: Smith Engineering

Course Details:

This course involves online delivery from May 1, 2024 – August 31, 2024.

Expected Enrolment (subject to change): 450 students.

Summer term classes begin Monday May 6th and end Friday July 26, 2024. The Summer term examination period is August 2-10, 2024. More information on the Undergraduate Academic Plan can be found [here](#).

Prior to May 1, 2022, the University required all students, faculty, staff, and visitors (including contractors) to declare their COVID-19 vaccination status and provide proof that they were fully vaccinated or had an approved accommodation to engage in in-person University activities. These requirements were suspended effective May 1, 2022, but the University may reinstate them at any point.

The University invites applications from all qualified individuals. Queen's is strongly committed to employment equity, diversity, and inclusion in the workplace and encourages applications from Black, racialized/visible minority and Indigenous/Aboriginal people, women, persons with disabilities, and 2SLGBTQ+ persons.

Academic staff at Queen's University are governed by a collective agreement between QUFA, and Queen's University.

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs. If you require accommodation during the interview process, please contact engineering.hr@queensu.ca.

To comply with Federal laws, the University is obliged to gather statistical information about how many applicants for each job vacancy are Canadian citizens/ permanent residents of Canada. Applicants need not identify their country of origin or citizenship; however, all applications must include one of the following statements: I am a Canadian citizen/permanent resident of Canada; OR, I am not a Canadian citizen/permanent resident of Canada. Applications that do not include this information will be deemed incomplete.

Applications should include a complete and current curriculum vitae, a statement of teaching experience, the names and contact details of two referees who may be contacted, and any other relevant materials the candidate wishes to submit for consideration. Applications can be submitted to the First Year Committee at the address below, or by e-mail to engineering.hr@queensu.ca. Applications should arrive no later than March 15, 2024.
