The Department of Civil Engineering in the Stephen J.R. Smith Faculty of Engineering and Applied Science at Queen's University invites applications from suitably qualified candidates interested in teaching the following undergraduate course in the 2026-27 session.

**Qualifications:**

Minimum of one year's study at the level of M.A.Sc. (or equivalent research or industry design experience). Previous educational background and/or experience must be suited to teaching the course described below. Candidates must have excellent communication and presentation skills, as well as be capable of working as a member of a teaching team. Registration as a Professional Engineer, or eligibility to acquire registration in Canada, is an essential qualification. Prior teaching experience in project-based engineering courses and lecture-based engineering courses would be an asset. **Open to Graduate Students only.**

**Teaching Requirement:**

**CIVL 330 - Structural Analysis | Fall 2026 | Units: 4.0**

---

Lecture: 3.0

Lab: 0

Tutorial: 1

Analysis of statically determinate structures such as trusses and plane frames, calculation of deflections by virtual work. Flexibility and stiffness methods for analyzing statically indeterminate structures. Computer applications of the above methods.

**Requirements:** Prerequisites: [CIVL 230](#), [CIVL 231](#) Corequisites: Exclusions:

**Offering Term:** F

**CEAB Units:**

Mathematics 0

Natural Sciences 0

Complementary Studies 0

Engineering Science 48

Engineering Design 0

**Offering Faculty:** Smith Engineering

**Definitions:** Program and Course Symbols and Codes can be found [here](#).

The above advertised course will be taught on campus. Enrolment is expected to be approximately 135 students in **CIVL 330**. The successful applicant will have **100 percent** responsibility for this course. Fall term classes begin September 8, 2026, and end December 8, 2026, while the examination period ends on December 23, 2026. You will be expected to lecture, organize and coordinate laboratories, prepare and run tutorials, set and grade all tests/examinations, as well as prepare a supplemental final examination and its solution for use in the supplemental examination period. Please note that you will also be responsible for tracking CEAB indicators. Guidance on this process will be provided.

### **COVID 19 On-Campus Requirements**

Prior to May 1, 2022, the University required all students, faculty, staff, and visitors (including contractors) to declare their COVID-19 vaccination status and provide proof that they were fully vaccinated or had an approved accommodation to engage in in-person University activities. These requirements were suspended effective May 1, 2022, but the University may reinstate them at any point.

The University invites applications from all qualified individuals. Queen's is strongly committed to employment equity, diversity, and inclusion in the workplace and encourages applications from Black, racialized/visible minority and Indigenous people, women, persons with disabilities, and 2SLGBTQ+ persons. All qualified candidates are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadian citizens and permanent residents of Canada will be given priority. Applications from all qualified candidates will be considered in the applicant pool. In order to support your employment at Queen's, we require you to indicate whether or not you will need a work permit.

Teaching Fellows at Queen's University are governed by the Collective Agreement for Teaching Assistants and Teaching Fellows between PSAC Local 901 and Queen's University. Remuneration will be in accordance with the Collective Agreement (Page 62), and appointments are subject to funding or enrolment criteria.

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs. If you require accommodation during the interview process, please contact: Dioga Argolo at [dioga.argolo@queensu.ca](mailto:dioga.argolo@queensu.ca).

Applications should include a complete and current curriculum vitae, a copy of your transcript(s); a statement of teaching experience, the names and contact details of two referees who may be contacted, and any other relevant materials the candidate wishes to submit for consideration. Applicants are encouraged to apply and upload all documents in their application packages electronically as PDF's on the Interfolio website, through this link: <https://apply.ca1.interfolio.com/124033>. Applications should arrive no later than **July 13, 2026**.
