

**DEPARTMENT ELECTRICAL & COMPUTER ENGINEERING
SMITH ENGINEERING**

**Term Adjunct Position
Academic Year 2024-2025**

Posting Date: July 16, 2024

Closing Date: July 30, 2024

The Department of Electrical and Computer Engineering in the Faculty of Engineering and Applied Science at Queen's University requests applications from suitably qualified candidates interested in teaching the following undergraduate course in the 2024-2025 session.

**ELEC 290: Electrical and Computer Engineering Design and Practice
Fall Term Course: September 1, 2024 – December 31, 2024**

Qualifications:

Minimum of a M.A.Sc. Degree in Engineering or a related field, or a B.A.Sc. Degree in Engineering with extensive practical experience in engineering communications. Registered as a Professional Engineer (or an Engineer in Training) in the Province of Ontario. Previous teaching experience at the University level will be preferred. Candidates should have excellent communication and presentation skills. Preference will be given to candidates who are registered as professional engineers in the province of Ontario.

Course Syllabus can be found at:

<https://smithengineering.queensu.ca/ece/undergraduate/courses/elec-290.html>

Course Description:

ELEC 290: Electrical and Computer Engineering Design and Practice | Units: 5.00

This course encompasses team-based design to solve complex open-ended problems. Instruction is provided on problem definition, creation of ideas, and decision making that considers technical, economic, societal, and environmental factors. Attention is given to safety considerations, technical codes and regulations, and engineering ethics. Effective skills for oral and written communication are also emphasized. These aspects are applied in design project activity related to electrical and computer engineering.

Anticipated course enrolment: 240

Offering Term: F

Offering Faculty: Smith Engineering

Requirements: PREREQUISITE(C): APSC 100 or APSC 103; APSC 199 or have passed the English Proficiency Test. EXCLUSION(C): APSC 200, APSC 293

Teaching requirement:

The above advertised course will be taught on campus. Fall term classes begin on September 03, 2024.

Queen's University is committed to employment equity and diversity in the workplace, and it invites applications from all qualified individuals. Queen's is strongly committed to employment equity, diversity, and inclusion in the workplace and encourages applications from Black, racialized/visible minority and Indigenous people, women, persons with disabilities, and 2SLGBTQ+ persons. All qualified candidates are encouraged to apply; however, Canadians and permanent residents of Canada will be given priority. Teaching Fellows at Queen's University are governed by a collective agreement between Public Service Alliance of Canada (PSAC), and Queen's University.

Prior to May 1, 2022, the University required all students, faculty, staff, and visitors (including contractors) to declare their COVID-19 vaccination status and provide proof that they were fully vaccinated or had an approved accommodation to engage in in-person University activities. These requirements were suspended effective May 1, 2022, but the University may reinstate them at any point.

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that considers an applicant's accessibility needs. If you require accommodation during the interview process, please contact ECE Reception. Link: ecerecpt@queensu.ca

To comply with Federal laws, the University is obliged to gather statistical information about how many applicants for each job vacancy are Canadian citizens/ permanent residents of Canada. Applicants need not identify their country of origin or citizenship; however, **all applications must include** one of the following statements: **I am a Canadian citizen/permanent resident of Canada; OR I am not a Canadian citizen/permanent resident of Canada. Applications that do not include this information will be deemed incomplete.**

Applications should include a complete and current curriculum vitae, a statement of teaching experience, the names and contact details of two referees who may be contacted, and any relevant other materials the candidate wishes to submit for consideration. Applications can be submitted to the ECE Appointments Committee at the address below, or by email to ECE Reception. Link: ecerecpt@queensu.ca

Applications should be received **no later than July 30, 2024.**
